SPECIAL FILMING CONDITIONS
4600 - 4700 BLOCK OF WHITE OAK AVENUE

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

The 4600 - 4700 block of White Oak Avenue is a unique and charming residential area. White Oak Avenue is one of the few areas in the Los Angeles that does not have pedestrian sidewalks or curb lanes for parking. The following conditions have been established to mitigate the concerns of local residents and to provide for a balanced use of the street and filming property.

- **Affected residents must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.** *Permit request must be submitted to FilmL.A. at least three (3) days in advance.*
- **Personal vehicles of cast/crew are not permitted to park on area streets.** Off-site parking must be arranged by the production company and cast/crew must be shuttled to and from the location. **No cast and crew parking is allowed at 4717 White Oak Avenue.**

- **Production vehicles may not park or stop to unload on White Oak Avenue.** Equipment vehicles may unload only on the location property.
- **Production companies may not arrive in the area prior to 7:00 a.m. and must depart no later than 10:00 p.m.**, unless approval is obtained from FilmL.A. and the approved times are indicated on the permit. An extension of the standard filming hours requires that affected residents be surveyed to identify neighborhood concerns.
- **Generator(s) with the proper noise shield shall only be parked in front of the location house, or in front of houses that have approved this activity**.
- **Lighting is to be confined to the specific site and shall not adversely impact neighbors and/or traffic.**
- **A FilmL.A.
